

# Pull-Tights by Quadra Seals®

The most economical / cost-effective indicative seal available anywhere

Pull-Tights by Quadra-Seals® offer unparalleled tamper-evident security for cargo containers, storage cabinets, tote boxes, etc. Insert the strap-end into the locking barrel and pull it to seal, leaving the strap-end attached.

Manufactured of a strong, all-weather, UV-stable form of polypropylene, they are virtually impervious to hot and cold and weather extremes.

U.S. Patents 7,559,587 and 7,703,817 B2. Internat'l Patents Issued and Pending.
