Value Added Services

NELCO PRODUCTS, INC.

800-491-2756

Nelco 's Value Added Service Department provides customized printing and cutting services for cable ties, heat shrink tubing, wire identification, wire protection and wire assembly products. Our state of the art equipment and value-added staff have over 20 years of experience in our customized services, ensuring the highest quality and satisfaction you expect from Nelco Products.

Custom Printed Tubing & Cable Ties:

- Custom imprinting of graphics, logos, barcodes, serial numbers & text using thermal & hot-stamp print technologies.
- Choose the type of heat shrink tubing needed for your application: single-wall, dual-wall, desired shrink ratio, colors, length, etc.
- We print on specialty tubing materials such as NST, Viton and more!
- Cable Ties hot-stamped with logos, sequential numbers, or other customized text or graphics to meet your requirements.

Custom Tube Cutting Services:

- Our high speed cutting equipment creates the exact lengths you need for assembly projects.

Why You Benefit from Nelco' s Services:

- Quick turn-around time on both large & small jobs
- Finished parts arrive ready for immediate assembly
- Saves you money from incurring in-house equipment & labor costs
